**CHICKERELL 0 -v- LYTCHETT R.T. 0**

Lytchett came to Chickerell looking to maintain their recent form which has seen them climb to second in the league, whereas Chickerell were also hoping to extend their impressive run of results, and even though this game finished in stalemate, both teams contributed to an entertaining hard fought game of football, in which defences dominated.

Chances for both sets of attackers were at a premium, as both defences set out their stalls and it was midway through the half that the first clear chance went to the visitors when from a corner, James Bird rose highest to head just over the bar.

Chickerell had their moments too, Dion Benson coming closest to breaking the deadlock, when from a great run and cross from Ollie Barnes, his downward header went agonisingly the wrong side of the upright.

The second half, Chickerell maintained a firm stance, central defenders Matt Williams and Rob Weldon dealing with any threat admirably, restricting Lytchett's forward line to long range efforts likewise the Lytchett defence were holding firm too, but as the half progressed it was looking like the home side were more likely to break the deadlock.

Neil Willcock collected a through ball from Harrington and after beating two defenders cut the ball back across the area to Barnes who saw his shot saved point blank by Tom Storey in the away goal, and moments later Barnes found himself one on one with the keeper, but lofted his shot just over the bar

So in the end some great passing football from both teams failed to provide a goal, but extends Chickerell's fine run of form to five games undefeated in league & cup.
