

CHICKERELL UNITED UNDER 14s

DORSET LEAGUE DIVISION 2

DATE:

CHICKERELL 0 -v- CORFE CASTLE 0

An inspired performance from the Corfe keeper was enough to earn his team a point, as both sides had to battle hard to overcome the blustery conditions, in order to produce a great game of football.

Chances were at a premium in the first half, early pressure was from Corfe who were unlucky not to take the lead when a shot fizzed over Chickerell's bar, but Chickerell countered well and started to make chances, Ollie Barnes run and shot flashing across the away goal, and a free kick from Harrington that nearly caught the keeper out.

Chickerell's best moment came towards the end of the first half when Neil Willcock ran onto a superb through ball from Harrington, only to see his rasping goal bound shot saved brilliantly by the Corfe keeper.

The second half Chickerell, playing into the wind, looked the better side, the home defence coping well with any threat from the away team, Jake Jones and Aiden Park both having very good games aided by central defenders Williams and Weldon.

Meanwhile up in attack, Chickerell were making chance after chance, Hill, Harrington and Winter forcing some good saves from the Corfe keeper, while at the other end stand in keeper Jack Kent had very little to do as he coped admirably with any threat posed by the away attack.

So were it not for the brilliance of the Corfe keeper, and the confident display given by Chickerell's back four, there may have been some goals, but in the difficult playing conditions 0-0 was probably a fair result.
